

ART GALLERY & HOMESTAY

## ABOUT ZEELA

Zeela is a Mambwe word meaning “a place of tall trees.” Zeela Art Gallery & Homestay is situated in an eco-friendly setting in the landscapes of New Kasama, perched on the interactive sceneries of Leopards Hill, and canopied in the indomitable Miombo woodlands. The tranquillity and shrubbery echo a peace of mind and trail of nature. We welcome you to experience and celebrate this interconnectedness between Nature, Culture, and Art.
